

Friends of Leadbeater's Possum Adopt-a-nest Box Program

EMMA CAMPBELL

Thank you for supporting the long term survival of the endangered Leadbeater's Possum in the wild. You have enabled one nest box to be built and installed for the use of an existing Leadbeater's Possum colony in the Central Highlands forests of Victoria. These boxes will be monitored annually and you will be sent updates on their status as nesting sites for Leadbeater's Possum.

Your nest box is number : 2
